

**MANUFACTURERS OF PRECISION-MADE  
POLYURETHANE SPIRAL HOSE & TUBING**

**Position Posting:** Extrusion Associate  
**Compensation:** \$18.00/hr Starting, +\$3/hr After Training & Program Completion  
**Location:** Milford Center, OH  
**Hours:** All Shifts

**Description:**

Advanced Technology Products is seeking entry level line tenders OR experienced extrusion operators. Extrusion Operators are responsible for tubing manufacturing operations. To accomplish this, operators are asked to transform bulk plastic product into finished tubing and hose. The ideal candidate will be mechanically inclined and have the ability to perform routine equipment operations and adjustments.

**Necessary Skills:**

- Ability to Lift Weight (at least 40 lbs)
- Ability to be Trained and Learn Product, Procedures, and Operations
- Maintain Clean Workspace
- Attention to Detail
- Willingness to Accept Responsibility and Provide Feedback on Process Improvements
- Listen and/or Read and Comprehend Verbal and Written Directions
- Ability to communicate in the English language without the use of a translator
- Willingness to Perform both Repetitive and New Tasks
- Ability to Read Digital Calipers, Record and Report Measurements for Quality Control

**Important Notes:**

All candidates must be willing to submit to a criminal background check and drug testing.

**About ATP:**

Advanced Technology Products, headquartered in Milford Center, Ohio, is a manufacturer and vendor of Tubing, Hose, and Fittings to a wide range of markets throughout both the United States and Internationally. ATP has experienced steady growth and expansion and is looking for quality candidates for long-term employment. ATP is a 100% Employee-Owned ESOP Company.

All candidates should submit a resume along with any supporting documents to [careers@atptubing.com](mailto:careers@atptubing.com) OR via the submission form on the careers page of ATP's website.
