Manufacturers of Premium Tubing and Spirals

Position Posting: Warehouse Associate
Compensation: \$18.00/hr Starting
Location: La Vergne, TN
Hours: Monday – Friday, 8:00am – 4:30pm

Description:

Warehouse Associates work in warehouses or other facilities where they send & receive shipments. They are tasked with verifying that shipments contents are correct and undamaged, and are also responsible for counting, checking parts, and receiving the items in on a packing slip and placing them in assigned locations.

Necessary Skills:

- Willingness to Accept Responsibility and Provide Feedback on Process Improvements
- Ability to be Trained and Learn Product, Procedures, and Operations
- Pass an ATP Part Number Recognition Skills Test
- Ability to Lift Weight (up to 50 lbs)
- Ability to climb and descend a ladder while adhering to safety protocol.
- Possess a valid State-Issued Driver’s License
- Able to Certify/Have Certification for Forklift Use
- Basic Math, Computer, and Recording Abilities
- Organizational and Time Management Skills
- Willingness to learn scan guns and/or technology aids.
- Maintain Clean Workspace with an Attention to Detail
- Listen and/or Read and Comprehend Verbal and Written Directions
- Handle all necessary paperwork upon shipment receipt.
- Ability to communicate in the English language without the use of a translator.
- Willingness to Perform both Repetitive and Unique Tasks

Important Notes: All candidates must be willing to submit to a criminal background check and drug testing.

About ATP:

Advanced Technology Products, headquartered in Milford Center, Ohio, is a manufacturer and vendor of Tubing, Hose, and Fittings to a wide range of markets throughout both the United States and Internationally. ATP has experienced steady growth and expansion and is looking for quality candidates for long-term employment. ATP is a 100% Employee-Owned ESOP Company.

All candidates should submit a resume along with any supporting documents to careers@atptubing.com OR via the submission form on the careers page of ATP’s website.
